

**A NEW DIMENSION IN OPERATOR SAFETY!**

Victor Torch Handles are available with VanGuard™ safety features:

- Built-In Flashback Arrestors - no need for accessory flash arrestors
- Built-in Reverse Flow Check Valves - no need for accessory check valves
- Works with all fuel gases. There are pressure restrictions for different gases

VanGuard™ Torch Handles are offered in H315FC Extra Heavy Duty and Heavy-Duty (315FC) models, and available in Victor's most popular outfit models. VanGuard™ Torch Handles also feature Victor Traditional threaded assemblies for economical repair if service is necessary.
